How to Play Dixit (Complete Rules)

Dixit is a creative storytelling party game where players give imaginative clues to surreal artwork cards while others try to guess the correct one. Scoring rewards balance — not too obvious, not too obscure.

Game Overview

Players	3–6 (up to 12 with expansions)
Components	84 cards, rabbit tokens, scoreboard, voting tokens
Objective	Score points by giving balanced clues and guessing correctly
Turn Flow	Clue → Card Submission → Voting → Scoring
Winning	Highest score at end (30 points or empty deck)

Scoring Rules

Outcome	Points Awarded
Everyone guessed / No one guessed	Storyteller 0, others 2 each
Some guessed correctly	Storyteller 3, correct guessers 3 each
Extra Votes	+1 per vote received on your card

Storyteller Tips

- Keep clues balanced — not too obvious, not too vague
- Aim for partial guesses (some, but not all players)
- Use emotions, humor, or cultural references creatively

Guesser Tips

- Think about the storyteller's personality
- Eliminate unlikely cards before voting
- Play deceptive cards to attract bonus votes

Popular Expansions

- Dixit Odyssey – supports up to 12 players

- Journey, Memories, Harmonies, Origins – 84-card expansion decks
- Disney & themed editions for fans and younger players
