How to Play Happy Families

Happy Families is a classic memory and matching card game where players collect complete families of four matching cards. The objective is to gather the most complete families by the end of the game.

Game Overview

Players	3 or more
Deck	Happy Families deck (families of 4 cards)
Objective	Collect the most complete families
Turn Order	Clockwise
Winning	Player with most families wins

Basic Gameplay Rules

- On your turn, ask another player for a specific card you need
- You must already hold at least one card from that family
- If they have it, they must give it to you and you continue
- If not, your turn ends and play passes clockwise
- Place completed families face-up in front of you

Game End & Winning

- Game ends when all families are collected
- Player with most complete families wins
- In case of tie, agree on draw or sudden-death round

Strategy Tips

- Track what other players ask for
- Focus on completing one family at a time
- Use memory to deduce who holds certain cards
- Observe reactions and timing carefully
