## How to Play Newmarket

Newmarket is a classic shedding card game for 3–8 players. The objective is to be the first to play all your cards while collecting chips from special layout cards.

### Game Overview

Players	3–8
Deck	Standard 52-card deck
Layout Cards	A♠, K♥, Q♣, J♦ (or similar)
Extras	Chips or coins for betting
Objective	Be first to play all cards and win chips

### How to Play (Round Structure)

- Players place one chip on each layout card at start
- Cards are dealt evenly among players
- Starting player lays the lowest card of any suit
- Players must follow upward in the same suit if possible
- Last player to continue a run starts a new suit
- First player to empty their hand wins the round

### Special Layout Cards

- If you play one of the 4 layout cards during a run
- You immediately collect the chips placed on that card

### Winning the Game

- Short game: First player to empty their hand wins the round
- Long game: Player with most chips after agreed rounds wins overall

### Strategy Tips

- Start suits where you hold several cards
- Track layout cards carefully

- Remember played cards to plan runs
- Use high cards to block opponents
