## How to Play UNO (Complete Rules)

UNO is a fast-paced family card game where players match colors, numbers, or symbols to be the first to empty their hand. The goal is to win rounds and reach 500 points before your opponents.

### Game Overview

Players	2–10
Deck	108 cards (standard UNO deck)
Cards per player	7
Objective	Be first to play all cards
Winning Score	First to 500 points

### Card Types & Effects

Card	Effect
Number Cards (0–9)	Match by color or number
Skip	Next player loses turn
Reverse	Direction of play reverses
Draw Two (+2)	Next player draws 2 and skips turn
Wild	Choose any new color
Wild Draw Four (+4)	Choose color + next player draws 4 (special rule applies)

### Turn Structure

- Play one card matching color, number, or symbol
- If no playable card, draw one card
- Say 'UNO' when you have one card left
- If caught not saying UNO, draw 2 cards

### Scoring

Card Type	Points
Number cards	Face value
Skip / Reverse / +2	20 points each

Wild / +4	50 points each
-----------	----------------

## Strategy Tips

- Save wild cards for late-game advantage
- Track opponents' remaining cards
- Use Skip and Reverse strategically
- Avoid being caught without saying UNO
